Vol. 2 Issue #1

Biggest Little Paper in the North Country

June 11, 1981

One year ago we started the FREE TRADER here in our home. We thought it was a great idea! You must have thought so too! We started with 4 pages, 4000 copies & 16 distributors. Today we're 16 pages, over 9000 copies and over 65 distributors! Our thanks to all of you and to area businesses. Please support our advertisers. Their advertising dollars help us bring you a free paper and free reader ad service each and every week!
