THANK YOU!

On behalf of the AHMC Auxiliary, we are pleased to announce that the annual "Thanks for Giving"

Basket Bazaar and Bake Sale were a huge success. Without the heartwarming and generous donations of the exceptional, caring staff at our hospital and all of the auxiliary volunteers, we would not have been able to reach our goal this year.

Supporting Auxiliary scholarships for young people pursuing careers in the medical profession, along with assisting our hospital with important initiatives, has always been at the heart of our mission. This year, we were thrilled to welcome more than 500 attendees to the event.

I also want to thank the awesome bakers and everyone who helped make the bake sale such a highlight of the day. Above all, **thank you to our community and staff** for coming together and making this event happen. We appreciate you all!

LAST WORD: The term "Xmas" was first used in the mid-1500s. X represents the Greek letter chi, the first letter in the word Χριστός (Christos), which means (Jesus) Christ in Greek. X has been an acceptable representation of the word Christ for hundreds of years by Christians, Clergy, etc. It is just another way to say Christmas.
